

Thanks For Supporting The Big Breakfast

Thanks to the wonderful residents of Packington the Big Charity Breakfast proved a huge success. With more than 50 volunteers working away with smiling faces, 279 breakfasts were served.

More photos on Page 3

The raffle contributed £290 to the total raised, which came to a record £1500 after all bills were paid.

Each of the village youth groups, Rainbows, Brownies, Guides and Youth Club received a cheque for £150. The balance of £900 went to support Glenfield Children's Hospital in Memory of Erin Finnie. Erin sadly died in Jan 2018, just 2 weeks old, following a complicated and rare condition, despite the best efforts of staff at Glenfield.

Special Thanks to Daybreak Services and Taylors Butchers Ashby for their quality, support and service.

Finally Mike Coke – The Village Thanks You For Leading Such A Great Event

Could you be one of our next Parish Councillors?

Deadline for returning Nomination Papers is: 4pm Wed 3rd April

EVENT DATES Please Tell Us
editor@packington.info

This will be my final report for the Packington Post, after which a new Parish Council will be formed following the May 2nd District and Parish elections.

It has been a busy month once again, overseeing the work on the Recreation Ground, two general meetings and preparations for replacing our Clerk, Karen Edwards.

Karen has been a hard working and dedicated clerk to Packington, one who has often gone that extra mile to get the job done. She will be greatly missed, as her experience in the field as a Parish clerk is excellent. She is leaving to continue her role, with increased hours, as deputy clerk for Ashby Town Council. We wish her well.

As I write this report, we have shortlisted five candidates from a field of seventeen applicants and will be interviewing on the 12th March.

The Parish Council held their statutory Parish Meeting at the start of the March General Meeting. I, as chairman, gave an overview report of the last twelve months and the Clerk gave a summary of the financial status of the Council. Both these reports will be found on the Parish council Website.

At the March meeting a Police report mentioned a situation which occurred on the Recreation Ground. A disturbed female teenager was threatening users on the play area and women walking their dogs. She was brandishing a knife and she had obviously self-harmed. A digger driver who was working on site was notified of the situation and phoned for the police. The ladies were told to run away and the family using the play area were contained in the JCB. The situation was concluded when the police arrived, with paramedics who took this disturbed young lady to a safe and secure place. It seems that these days everyone must be on their guard and needless to say, I thanked the digger driver for his efforts in containing the incident.

There was a disappointing response to our call for prospective Parish Councillors to attend a drop-in session at the start of our February meeting. Can I say that I urge anyone who wants to play a part in the well-being of Packington to make a stand and apply to become a Councillor. I would welcome a democratic outcome as to who becomes a Parish councillor and for that to happen we need at least seven nominations. A Nomination Pack can be obtained from the North West Leicestershire Council Offices.

For more details of Parish Councils decisions and notices please go to our website.

THANKS TO ALL WHO HELPED
MAKE IT A SUCCESS

A big 'Thank You' goes to the 30 + volunteers who mustered at the Memorial Hall under the cover of the low mist.

It was great to see some of our younger residents taking an active part as they helped in and around the village and along Ashby Road.

Hi-Vis jackets were the order of the day, especially due to the weather conditions. Litter pickers were dished out from the armoury, albeit not enough for everyone.

Once they were kitted out, four groups then set off to their respective lanes to fight the good fight against the mindless act of littering.

Some groups finished earlier than expected, but only due to running out of bin bags!

The collection of litter, which included a shopping trolley, microwave, vehicle parts and road signs, was deposited outside the Memorial Hall, ready for the council to collect early the next week.

It's amazing how much was collected in such a short space of time. Not all of Coleorton Lane was covered and unfortunately, we didn't get any further than the mushroom farm on Normanton Road.

Upon return to the village, the volunteers gathered at Barkers Cafe, who kindly offered discounted drinks.

It was obvious from the chat that there is an appetite to finish the job off by another date in the near future.

Therefore watch this space. It would be great to see many more turn out.

Today was a great community effort which benefits ALL villagers.

Extra 'Thank You' to Guy & Laura for collecting all the bin bags in their trailer.

Martin Bassett 07794993610

Packington Guides is an energetic guide unit which enjoys doing a multitude of activities. In the past year we have:-

Undertaken Community Action – helped with the drinks at the Packington Big Breakfast and done random acts of kindness.

Held evenings on Parliament week, Equilitea and Future Girl for each of which we got a badge.

Done challenges such as making pringle circles, unravelling a human knot and climbing through a piece of A4 paper!

Been to London to see Trooping of the Colour, where we had places in the Youth Enclosure at the edge of Horseguards Parade. The Queen actually waved to us! We were then on television walking down The Mall towards Buckingham Palace where we stood by the Palace railings to see the Royal Family on the Balcony.

Visited 3rd Ashby Rangers and 4th Ashby Guides, the Apple store at Highcross and the Phoenix Charity in Packington. We have also promoted Girlguiding at the Ashby fair and attended the Remembrance Parade in Ashby.

On an aquatic front we have attended the Ashby Swimming evening and been canoeing at Conkers.

Tried lots of crafts e.g. Making grass heads, pet ropes and tea bag folding.

Indulged in our love of food by making cakes, trying food from other countries and cooking outdoors.

Also since last September we have been working on the new Guide Programme and some of the girls have already done interest badges. This Term we are working on Change That and Explore Skills Builders as well as Unit Meeting Activities. This term's trip was to the Apple store at Highcross where we made short videos using a programme called Clip.

The Unit meets on Thursdays in term time at Packington Memorial Hall from 18:30-20:00 (unless we are out and about!) There are currently spaces for girls aged 10-14

If you would like to know more please contact Allison Buswell, Unit Leader

packingtonguides@gmail.com

History Group

The New Year opened on a positive note for the Group when the Memorial Hall Committee agreed that we could house our archive documents and photographs in a cabinet in the hall's meeting room. This is now in place and we have started to work through the material with the long-term aim of making it available to the wider public through the internet. Thank you to the Hall Committee for their support.

At our February meeting Paula Dring gave us a talk about Rev. Joseph Goadby, (1774 -1839), who became a very prominent figure in local Baptist circles and who is commemorated at the site of the former Baptist Chapel in Mill Street, close by where Paula and her family now live. Group members were extremely interested to hear about this historical figure who has such an intimate connection with our village. We wish Paula well in her further researches.

The Group is looking to develop a pictorial record of Packington as it is today, which could be preserved for the information of future village residents and history students. We will be discussing this project at our March meeting – anyone who would like to take part and/or has material that may be useful will be very welcome to join

us on Tuesday 26th March at 7.30 p.m. in the Memorial Hall meeting room.

One more date for your diary – we are planning to hold a History Walk along High St. on the evening of **Tuesday 25th June**, following the success of similar walks a few years ago. More details will follow in the May "Packington Post."

Robin Boucher 411638

randbboucher@googlemail.com,

Table Tennis

The Packington Table Tennis club continues to progress with recent developments being engaging a coach (Nigel Webster) from Melbourne table tennis club. See photographs below of Nigel coaching members with the use of a ball feeder.

A 5th Table will be acquired in the near future and used for coaching in the small meeting room.

The club meets every Wednesday and will run until 10th July at the Memorial Hall.

Numbers continue to vary between 10 and 24, which means the 4 tables are always in use for either singles or doubles. There is always a warm welcome for all levels of player from beginner to advanced. The cost remains frozen for a 3rd year at £2.50 per adult and £1.50 per junior

Graham Saunt 07764471917

Horticultural Society

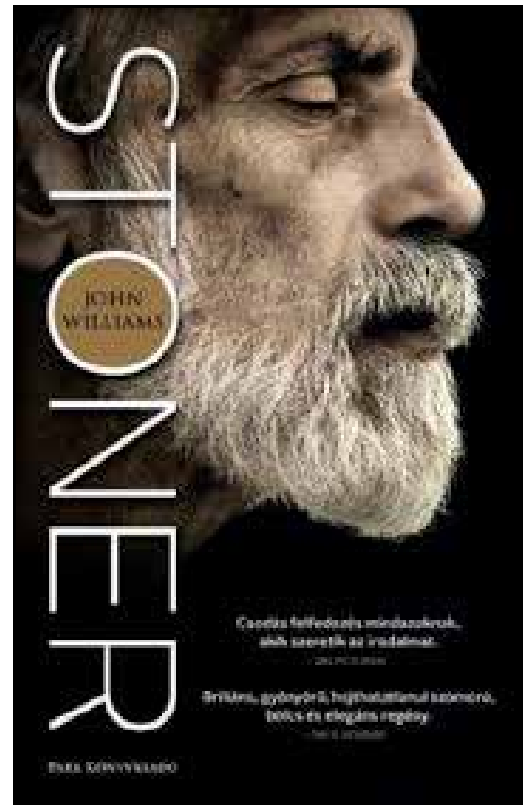

With planning already well underway for this year's show on September 7th, we wanted to take this opportunity to invite you all to what has been a regular fixture in the Packington calendar for over **70** years! The aim of the show is to provide a day that the whole community can both enjoy and benefit from. Our village show is open to, and welcomes, everyone. It has a wide selection of categories you can enter, from vegetables and flowers to baking and craft, along with dedicated junior sections.

You need no experience to enter any of the categories, just come along and have a go. You never know what you could win! If entering isn't your thing, there's always the opportunity to buy some fresh home grown fruit and veg. or a delicious home baked cake at the auction. The children love helping with this, delivering the bags and taking the money – a great chance to add to their school citizenships! All proceeds go towards supporting local groups and causes, such as the village youth group and lunch club, new fixed football nets and a donation towards the new toilet facilities in church, to name but a few, We cannot run this event without the support of our village and although well attended, numbers were down last year. We really do hope you can make it and help keep this longest village event up and running for years to come.

Book Club

Packington book club meets on the fourth Wednesday of every month at 19:30 in the small meeting room at the village hall.

On 24th April the book we are reading is Stoner by John Williams described by Julian Barnes as, 'A terrific novel of echoing sadness'.

On 22nd May it is Conclave by Robert Harris, which the Sunday Times says is "an irresistibly gripping papal page-turner".

Come and join us for a sociable evening discussing these books. Tea, coffee and biscuits are provided. If you would like further information contact:-

Helen Edgington 01530 412808

Men's Group PMG

The Men's Group enjoyed their annual lunch at the Bull & Lion on 12th February. Thanks go to the staff and especially Phil who came for the day to 'chef' for us. On Monday 12th March several members of the group visited the Bott plant in Ashby, a world class manufacturer and supplier of vehicle conversions.

After an initial presentation explaining the history, work done on site and also their links with the community, we were taken on an extensive tour of the site. We were able to see how vehicles were filled with various pieces of equipment to a specification agreed between Bott and each customer. It was interesting to see the use of clever printing to place colourful details on the exterior of many of the vans. This was an enjoyable and informative visit to a progressive company working to high quality standards and rightly proud of their achievements. Our next event is a visit to Ashby Heritage Centre to commence at 2.00pm on **Tuesday 16th April.**

Our programme for the months ahead is follows.

May 13th Mon. 10am Tour of Century Theatre Coalville

June 11th Tues 2 pm Visit to Hill Farm with guided walk

July 8th Mon Crown Green Bowls, time to be finalised

August 13th Tues Men's Breakfast. Packington Men's Group has been running now for over 25 years .

We meet in the Memorial Hall for talks during the winter months. We also have an annual walk, breakfast and visit places of interest. Any men wishing to join the group would be made most welcome.

David Fill on 01530 560228
davidf2071@gmail.com.

Lunch Club

Packington Lunch Club continues to meet at twelve o'clock on the third Wednesday of each month. We average about twenty people and there is a warm and friendly atmosphere. Members are able to pre-order their meal from the menu provided each time. There is a varied menu, cooked to perfection by our team of cooks, Rachael, Mel and Hattie. Last month there was a choice of roast meat or vegetarian option with all the trimmings.

Our volunteer chefs are helped in the kitchen by Chris and Cath, and Pauline, Janet and Valerie set up and help serve. Our thanks go to all these people who make Lunch Club function as well as it does. Special thanks go to Janet, a founder member of the club who, having celebrated her 80th birthday recently, has decided to relax a bit more and just enjoy the meal and company.

Our Village Groups

What is the Packington Memorial Hall?
Who is responsible for Packington Memorial Hall?
What goes on inside Packington Memorial Hall?
How can I use the Packington Memorial Hall?
All these questions will be answered on

Friday 26th April
7pm to 8-30pm

Come along and find out. There will a glass of Prosecco, teas, coffees, cheese and biscuits etc.

Come and talk to user groups and village society organisers.

Come on in and find out what is happening in your village.

I am sure there will be something of interest for everyone.

We haven't had an open events fair for some time so **COME ON Down** and find out what is happening.

Chris Miles (Chairman) 01530 414378.
christopher.miles@sky.com

Youth Club

Firstly, many thanks from all at Youth Club for the recent donation from the Big Breakfast. It is a much-appreciated boost to help kick start the new youth group. Our numbers have now grown week on week to a full capacity of 32 children for this spring term, and we now have a short waiting list for those wanting to join us.

The above photographs show the children enjoying the activities on offer such as table tennis, table football, pool and many others.

One further request, if anyone is having a spring clean, and finds any games for children aged 9 and upwards, or bean bags that they might otherwise throw out, then please contact us on **07906739938**, so we can put them to good use.
The Youth Club team: Sallie-Ann, Alisa, Kita, Sharon and Angela.

She's off again...! The continuing story.....

In the last edition of Packington Post, I talked about the challenges that I have set myself for this year: 4 marathons and a double marathon, starting in April with the first marathon in Vienna. Then it's on to London in May for the Moonwalk overnight, then the double 'Over the Moon – 52.4 miles overnight in Edinburgh in June. Then a couple of months off (ha, ha!!!!) until the Shine Marathon for Cancer Research in London in September, and finally the York Marathon in October. I am not a Mo Farah or Paula Radcliffe but in my mid-fifties and certainly no serious athlete, but I wanted to do this to raise money for cancer research and challenge my own fitness and see what I can do. Training is relentless – an average of 47 powerwalking miles per week, plus strength training in the gym. But the most important thing is raising support for the cause. Rather than ask for sponsorship, there are a couple of ideas that I have come up with.

The first might appeal to all you runners and cyclists out there: recycling your trainers as bird houses! I am building frames for nesting/shelter boxes that you simply hook your old trainers into,

providing a cosy nesting nook particularly for robins, wrens, wagtails and flycatchers. It's a win-win – a nesting home plus an eco-friendly use for old trainers. Cost is £15 per bird house (and they come in almost any colour that you would like) with all proceeds going to breast cancer causes and research.

Then, as an amateur blacksmith, with an interest in restoration of heritage metal, I have undertaken a couple of projects to restore front door furniture to its former glory, bringing up old tarnished brass to a lovely glowing shine! Your front entrance is one of your most important assets, so if you feel that your Knockers and Knobs are in need of a good shine to bring them back to their former glory, then please get in touch! Again, all proceeds from this will go to charity. Please do contact: **Pippa David on 07535 607171.**

But most importantly, please give me a thumbs up and wish me luck as I power walk around through the village trying to get the necessary miles in for training! And I will let you know how I get in on in my first couple of Marathons.

Barry Runs Again

Barry Alldread is running the Ashby 20 (a 20-mile road race) on Sunday 24th March and the Manchester Marathon on Sunday 7th April for Steps - Leicestershire Conductive Education Centre because of the life changing work they do for children

Steps is a specialist Nursery which provides conductive education for children who need support with motor development. They provide an environment to enhance learning and plays a huge role in helping children with these challenges to achieve their fullest potential.

Our daughter, Sienna, was diagnosed with a very rare chromosome condition which includes late development.

Since attending Steps her concentration levels and ability to complete tasks have improved dramatically as have her balance, co-ordination and strength and she is now starting to meet her milestones and achieve goals - thanks to the wonderful people that run this charity.

It's been 4 years since Barry has attempted such a challenge and now weighs 2 stone heavier. But doing this to raise awareness for this Charity and the amazing work that they do for our children seems fitting. All donations are greatly received. Search for our "just giving" page

Postman Gaz

A familiar and reassuring sight in Packington is Gaz with his red Royal Mail van. Gaz hails from Ashby and has been a postman for thirty years, firstly in Ashby and, for the last twelve years, in our village.

Family life for him is wife Lisa, daughter Nicole and Labrador, George. Gaz loves delivering the post here because the villagers are so friendly and laid back, just like him.

Gaz likes to relax in the evenings by watching sport or a film, or listening to music and, as if he doesn't get enough exercise on his daily rounds, George gets long walks too. He finds time to play snooker in both the Leicester and Burton on Trent leagues and is an avid supporter of Leeds United. You might have seen him off duty at the village fete a few years ago or at a social occasion in the village hall.

Even with the advent of instant communication via the internet, his job is busier than ever, and he is thankful that he is made to feel a part of our local community. Although he has seen changes over the years, he has never had a cross word with anyone, thinks we are a great bunch and deems it a pleasure to deliver our post.

Eric Carter, the oldest person in Packington, has died, aged 98.

Eric was a journalist all his working life. Born in December 1920, he started as a reporter on his home town paper, the *Bideford Gazette*, before being called up during the Second World War, serving in India and Burma.

Upon demobilisation, he picked up his journalistic career working for local weekly and daily papers in Kent and Devon before heading to Fleet Street. In London, he worked on various national papers including the *Daily Express*, *Daily Sketch* and *Sunday Pictorial*, as well as for a number of magazines such as *London Life* and the *Telegraph Magazine*. He was assistant editor of *TV Times* when he decided to return to Devon and run his own newspaper.

He bought the *Dawlish Gazette* in 1972 and he and wife Betty – with reporting help from son Nick – ran the paper for ten years before selling up and moving to Tunbridge Wells in Kent. Here, both worked on the *Kent and Sussex Courier*, the paper where they met in 1946 before marrying in 1948: the couple celebrated their 70th wedding anniversary last July.

Upon retirement Betty and Eric moved to Packington to be near Nick and his family.

11 am Holy Communion

There is also a service of Holy Communion on the **first Wednesday** of the month at 10 am. Sunday Club for the children meets on the **2nd Sunday** of the month at 11am in the back of church in term time

May 19th at 3pm at Normanton-le-Heath: Pet service with Blessing of the animals.

Come along with your best friends and have fun together.

The revamp of Holy Rood Church.

Work is actually starting – the builders come on site on Monday 1st April, so the back of church will be disrupted while work is going on. We are not sure in what order the builder will be working, but as it involves taking out the present WC to replace with the disabled one, the revamp of the vestry and the removal of 2 back pews, it is likely that we will not be able to leave the church open for the duration.

However we will be holding services as normal (though the organ may be out of action as it needs to be covered for protection) and we will still be available for funerals, as the builder will work round such occasions.

Some meetings which normally happen in church in the week will move venue – see diary for changes.

The work is expected to take about 3 months so we will try to keep you updated on what is going on.

We are delighted to have been awarded grants by both Leicester Historic Churches Trust, and the Solar Farm Community Grant scheme. We are very grateful to the trustees of these two trusts for their support.

**Put The Date
In Your
Diary
PARTY IN
THE PARK
Saturday
6th July**

The redevelopment of the "Hall Farm" site moves on at a pace. Living in a property adjacent to the site, I have witnessed huge changes in the year since work began in earnest. Last February most of the mature trees at the bottom of the site were felled. This resulted in greatly increased hours of sunlight falling on my greenhouse, and back garden, which was a very positive result for my plants.

One of the features of Packington is the number of trees it contains and yet every year the sound of chain saws, felling more of our village trees, appears to increase - trees which may have taken over 100 years to reach their full height. They don't all appear to be being replaced. Perhaps if the Parish Council decided to plant one tree, somewhere in the village, for every two new houses granted planning permission, the current numerical decline could be arrested.

For every positive there is usually a negative. This winter the variety of wild birds visiting my garden has fallen dramatically. No woodpeckers, nuthatches, coal tits or blackcaps have yet been spotted. It made me realise how dependent wild birds are on mature trees, in close proximity, to give them cover.

Does anyone else agree more action is needed to preserve our small village paradise? If so, speak to one of our prospective Parish Councillors when they canvass your vote at the forthcoming election.

HS2 update

The team would like to thank all those villagers who attended the Residents HS2 open morning in the Village Hall in early December and submitted a response to HS2 Ltd. to the Working Draft Environmental and Equality Statements, which were out for consultation.

If you would like a copy of the formal response from the Packington HS2 Residents Team email:

terryhammond@me.com

We understand HS2 Ltd. received over 40,000 responses both from individuals and organisations across the route, and are currently reviewing these.

We will meet with HS2 Ltd. in May to keep the issues that directly impact Packington on the Agenda. One of the issues is the noise impact. Some of you may have read in the media that there are concerns that the train could exceed the European and World Health Organisation noise limits. If this is the case, then HS2 could be forced to reduce its speed and or mitigate noise impacts along the route. We have put a number of practical proposals to HS2 Ltd. that would reduce the noise and visual impact on our village and will continue to raise these with them.

Some of you may have also seen in the media recently that a number of MPs are now questioning the spiralling cost of HS2, calling for it to be scrapped. This may all sound optimistic, but we must not get complacent. There will be many MPs within parliament who will support HS2. Therefore, we must assume that HS2 will proceed.

We will continue to report back to you through the Packington Post.

If you would like further information, contact:

Local Pensioner gets his first play published

When pensioner Terry Hammond from Mill Street, Packington, retired, he felt he needed to have a hobby. So he decided to have a bash at writing a play. Terry told the Packington Post that he got the idea from a friend who told him a funny story about how a new allotment holder had upset the old timers on his allotment. He thought this had the making of a comedy so he started to work on a plot.

Terry, who was then living in Hampshire, worked on the play for a couple of years and when he finally finished it and showed it to his wife and friends, he was encouraged when they said he should try and get it published. A neighbour had contact with a local publisher. They asked for a script and he was amazed when they rang back within days to say they really liked it and would publish it.

The play "Ten Rods" was premiered at a local amateur dramatic society in Hampshire and received glowing reviews. When Terry moved to Packington three years ago he submitted Ten Rods to Ashby Dramatic Society, who run the Venture Theatre, in Ashby. They were very quick to see its potential and agreed to put on the play.

"Ten Rods" runs from the 2nd to 4th May and 8th to 11th May 2019. It starts at 7.30 at the Venture Theatre, Ashby. Details about the play and tickets can be found on the Venture Theatre website: www.ashbyventuretheatre.org.uk Tickets from the Ashby Tourist centre: 01530 411767
